

Saint Simon Peter Pillars for 2014

In line with the Strategic Plan for St Simon Peter School each member of the School Board in 2014 has taken on a Pillar – which is a specific area of responsibility. There are six pillars which all fall under the one overarching strategy. The table below outlines each pillar and identifies the person who is responsible for that pillar.

As a Board we will endeavour to ensure that our strategic goals are met and that we continue to strive to make St Simon Peter the school of choice in the Northern Suburbs for parents seeking a Catholic education for their children.

If you have any experience, knowledge or expertise in any one of these areas – or indeed if you simply want to be of assistance in some way, then please contact the Secretary of the Board, Sarah Cooke at cookes4@bigpond.net.au and tell us how you can be of help.

A copy of the Strategic Plan can be found under “Publications” on our webpage.

We look forward to working with you.
